SwipeSimple
App Marketplace

Seamless online booking built into SwipeSimple's all-in-one payments platform.

Appointments

Bookings, payments, deposits, and customer communication in one simple tool. For appointments, classes, space and equipment bookings, or whatever your business books.

Smart Scheduling Tools

Set buffer times, manage capacity, sync with your calendar, and control your availability with precision.

Payments Built-In

Take payments or deposits online at time of booking, built into SwipeSimple Payments.

24/7 Online Booking

Let customers book appointments anytime, from anywhere, while you focus on your business.

Reduce No-Shows

Automatic text and/or email reminders with easy rescheduling keep your calendar filled.

Automated Operations

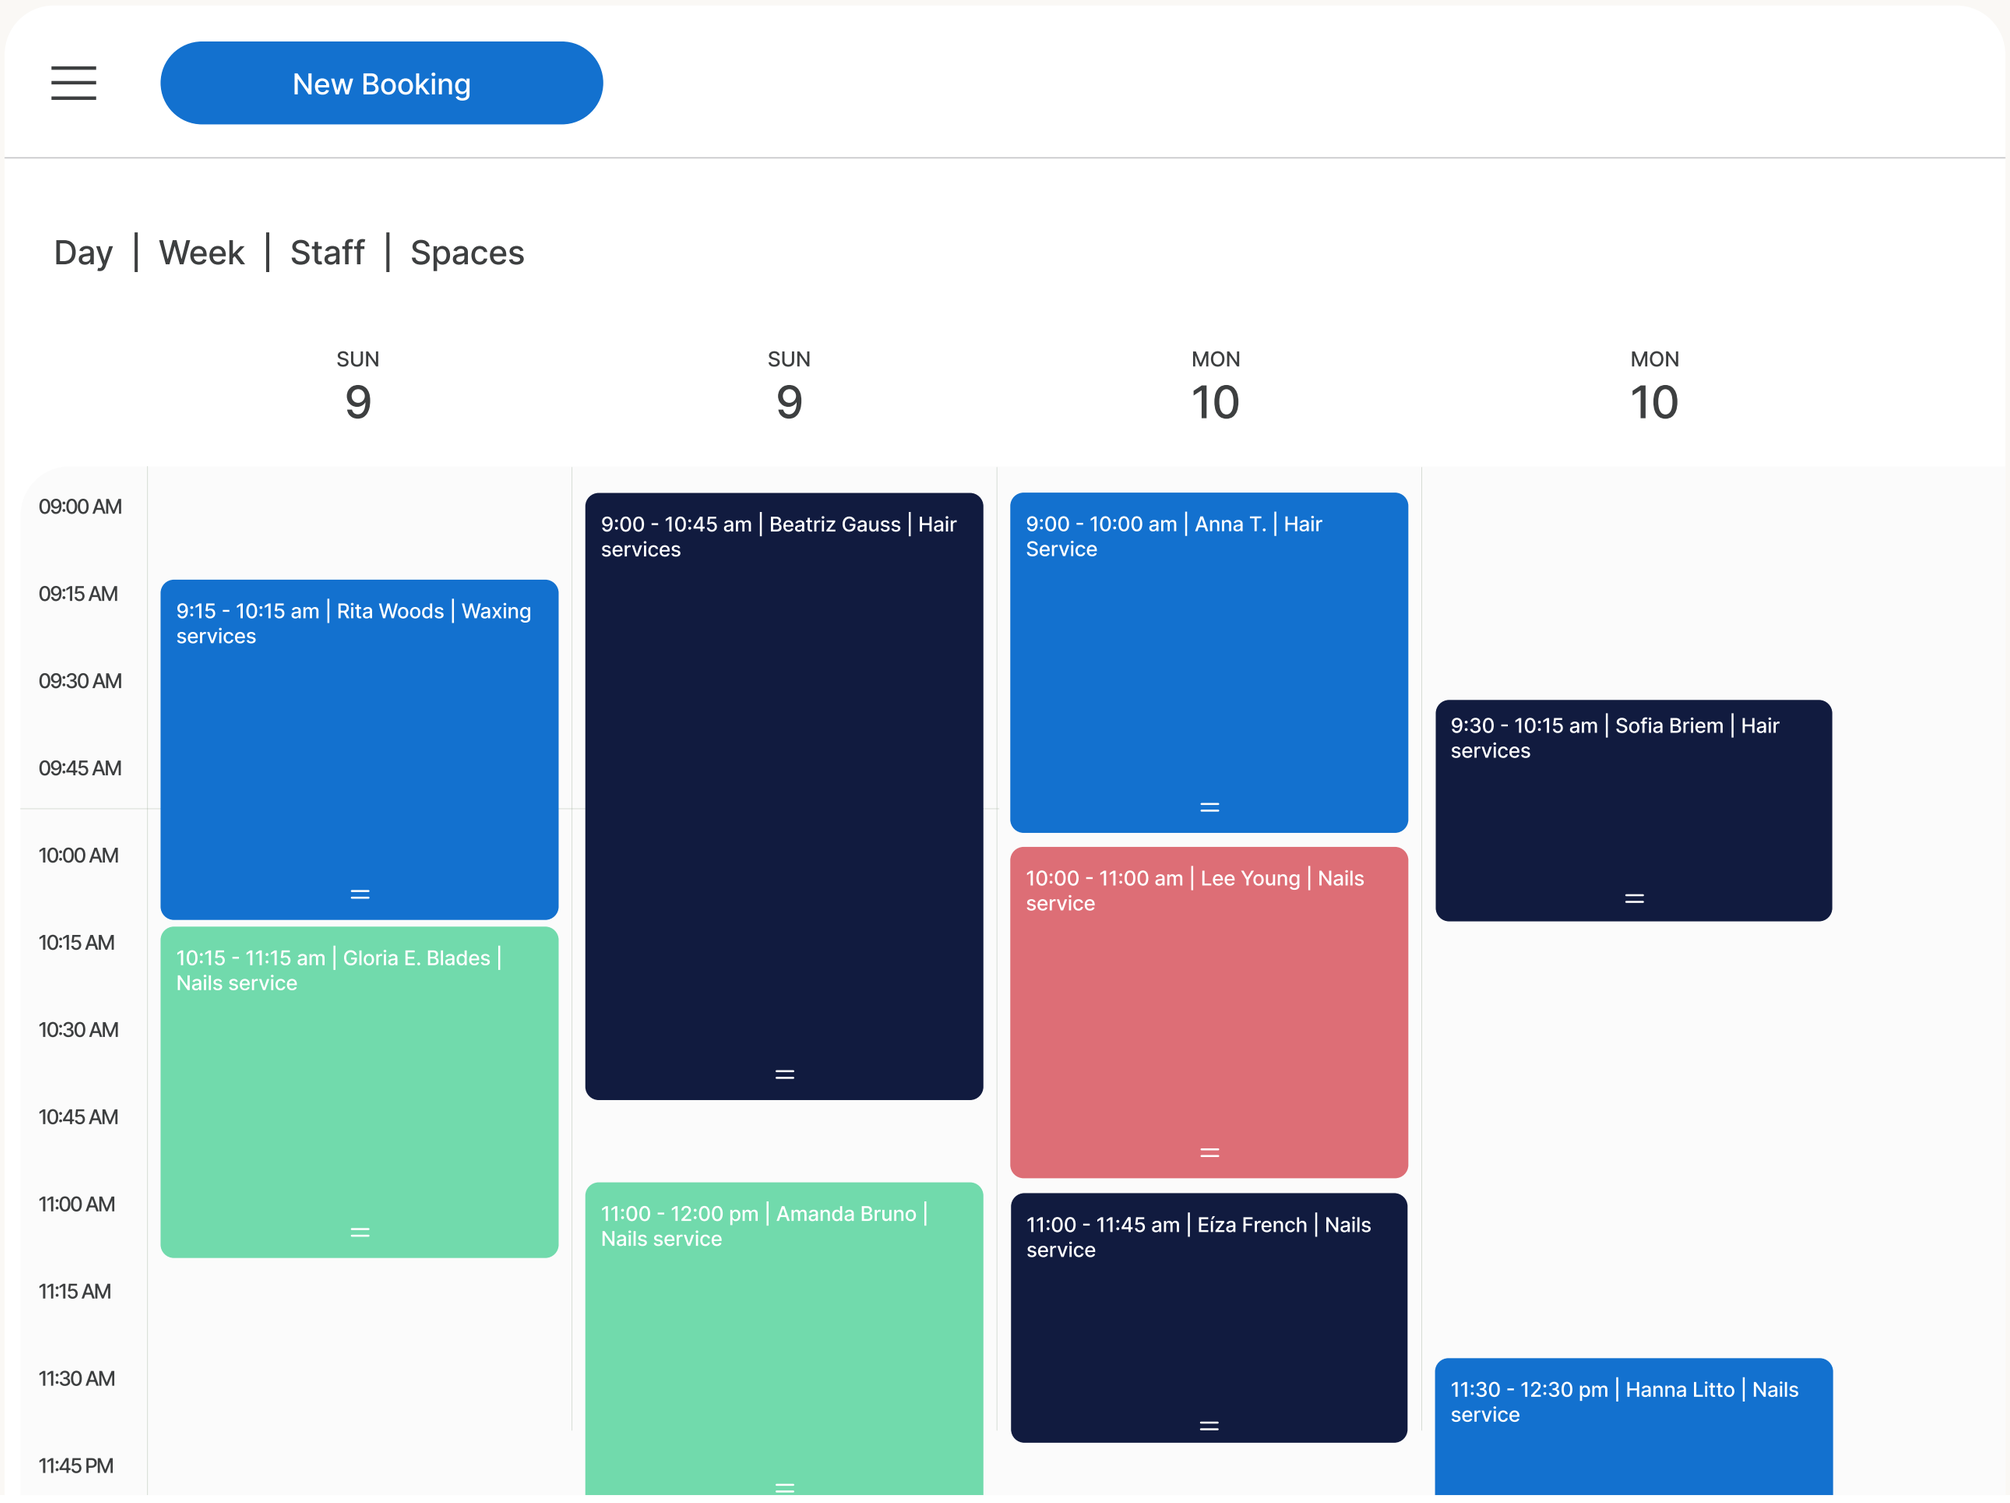

Eliminate manual booking work with automated confirmations and customer self-service.

Flexible Booking Types

Schedule appointments, group classes, virtual meetings, and room or equipment bookings.

Powerful features that put you in control

Appointments

Customizable Calendar
